

YOU CAN FIGHT IT!

3rd Ward Vehicle Ticket Appeal

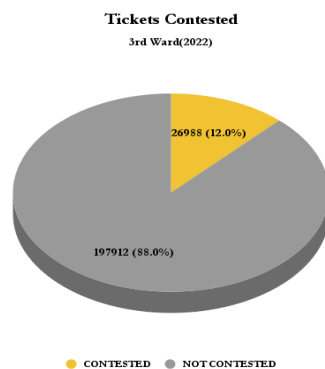

The Problem

With over 224,900 tickets having been distributed in the 3rd Ward alone, and only 12% being contested for appeal, there are many people who are given vehicle tickets for the smallest of violations that result in them having to pay or owe a large ammount of money to the city. We want to help you or anyone else who may not know that they have the ability to fight against these charges!

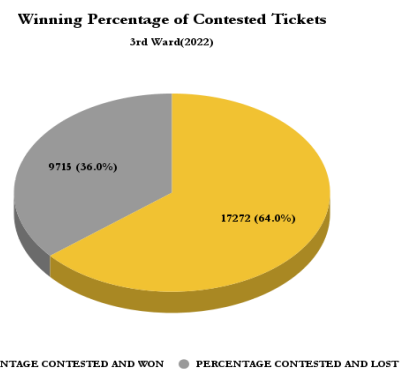

You Can Fight It Too!

Of those 12% that have contested their tickets, around 64% have won those cases and have gotten their tickets appealed! This is something you can do too by following a few steps that we will provide to you on our website: ([insert url here](#)). there you can find our template for an appeal that you can bring to court in order to have a better chance at winning your case. We will also provide legal information so that you are able to go to court fully prepared and informed on what your rights are.

Statistics
